National Junior Honor Society

Appeals Process

Appeal instructions for students whose applications for membership in the National Honor Society were rejected:

1. Appeals must be filed by the applicant with the adviser of the Leesville Middle School chapter of the National Junior Honor Society. Failure to follow the appeals procedure will result in your appeal being denied. The deadline for appeals will be Friday, October 12th, 2018.
2. Compose a written appeal in the form of a business letter. Explain why your application should be reconsidered. Make specific references to your scholarship, leadership, character, and service qualities that the National Junior Honor Society holds as its core principles.
3. Your appeal will be reviewed by the Faculty Council, who will decide whether the appeal is granted and membership in the NJHS is offered.
4. You will be notified in writing of their decision within 10 school days.
